PREFACE

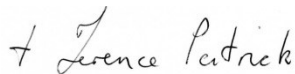

You will notice a change in the shape and size of our Year Book for 2017. Well, they do say that you have to “cut your coat according to your cloth.” It has been noticeable that despite keeping the price as low as possible and attempting to offer the information that people say they require, the sale of the Year Book has been very low. So having done an extensive survey during the last year we are offering this version to see if it is what people want. We will keep an eye on how it goes so as to respond and adapt as best we can.

Even though it is a smaller version of the Year Book, it has taken a lot of time and effort to put it together and so I want to thank all those involved in this great little work.

If you have any thoughts on the Year Book, please do not hesitate to send them to the Editor at the Curial Offices.

With every blessing on you and yours for this year of Our Lord 2017, I am

Yours in blessed hope

A handwritten signature in cursive script that reads "Terence Patrick".

Rt Reverend Terence Patrick Drainey
Bishop of Middlesbrough
